And my github on <https://github.com/AloNdubuisi>

## Experience

### SABI PROGRAMMERS

#### Higher Instructor

**August 2021 – Present** (Nigeria)

I work at SABI PROGRAMMERS ACADEMY, as a Full-stack web development Instructor where I teach their students html, css, javascript, python and Django. SABI PROGRAMMERS IS a tech organization based in Akure Ondo State specifically for building software for organizations and businesses and teaching programming.

### UNESCO AFRICA CODE (ACW)

#### Facilitator

**May 2021 - July (3 months)** Nigeria

I have worked with the UNESCO AFRICA during her 3-months intensive Practical Training on coding using **java** programming language to train young secondary schools girls in some selected schools in Ondo State in partnership with the Ondo State Government.
